Sir:

American Maplan Corporation and Heinrich Dohmann hereby Petition that the above captioned application be accepted under 37 C.F.R. § 1.47(a). The Petition fee required under 37 C.F.R. § 1.17(g) is provided herewith.

A Declaration/Power of Attorney document was filed in the above-referenced case on October 3, 2003. This document was executed by both inventors: Heinrich Dohmann and Stefan Wickenkamp on December 4, 2003 and December 20, 2003, respectively. The Examiner has noted the title has a typographical error and has requested a corrected Declaration. A corrected Declaration has been sent to both inventors for execution.

One of the inventors, Stefan Wickenkamp, has not returned a signed Declaration for the above-referenced application despite attempts.

Co-inventor, Stefan Wickenkamp, is no longer associated with the Assignee of the above-referenced application. As a result, a package containing the corrected Supplemental Declaration, a

copy of the application, and a copy of the Assignment document in which Mr. Wickenkamp had previously assigned his patent rights for the invention of the above-referenced application, was forwarded to Mr. Wickenkamp at his last known address by Federal Express International along with a cover letter dated September 5, 2007 (and automated German translation). The package was delivered to Mr. Wickenkamp on September 10, 2007 as evidenced by the attached pages of the delivery tracking status print out. The letter instructed Mr. Wickenkamp to sign and email me the corrected Declaration by September 14, 2007, and return the original by mail in the return envelope that was provided. Copies of the materials delivered to Mr. Wickenkamp are attached as Exhibit A, and copies of the delivery tracking status printout are attached as Exhibit B. Despite the attempts to obtain his signature, Mr. Wickenkamp has not responded by email or mail by September 14, 2007 as requested in the cover letter, and to this date, still has not emailed me or returned the executed corrected Declaration.

The last known address of Stefan Wickenkamp is as follows:

Stefan Wickenkamp  
Im Meerfeld 39  
D-32547 Bad Oeynhausen  
DEUTSCHLAND

The executed corrected Supplemental Declaration for the other inventor Heinrich Dohmann, is submitted herewith. The corrected Supplemental Declaration now also indicates priority to the U.S. parent application, which was claimed in the related application paragraph of the above-referenced application as filed. The undersigned points out that there is a missing numeral 4 from the serial number 10/36,308 in the corrected Supplemental Declaration, which is a typographical error and should be 10/364,308 as is provided in the related application paragraph of the above-referenced application, as filed. The inventor Heinrich Dohmann signed the Declaration with the belief that there was not such a typographical error. It is requested that the above-identified application be allowed to proceed without the co-inventor, Stefan Wickenkamp, signing the corrected Declaration.

Pursuant to 37 C.F.R. § 1.17(g), a check in the amount of \$200.00 is enclosed. Please charge any additional fees due in this matter to Applicant's Attorney Deposit Account No. 08-0380. A copy of this letter is enclosed for accounting purposes.

Respectfully submitted,

HAMILTON, BROOK, SMITH & REYNOLDS, P.C.
